Materials for public dissemination

- The **high level documents** publicly available for promoting Share-VDE and the Share family are:
  - Press release announcing Share-VDE 2.0
  - Share-VDE Statement describing the role of the initiative in the context of Library Linked Open Data
  - Share-VDE brochure

- **Videos and general presentations**
  - Video introducing Share-VDE
  - Share-VDE user interface walk through: demo of Share-VDE web portal search features
  - Share-VDE presentation

- **Focus on main technical components**
  - Summary of the components of the LOD Platform, that is the technology underlying the Share Family system ([Italian version](#) available)
  - Extensive description of the LOD Platform ([Italian version](#) available)
  - Share-VDE entity model
  - Share-VDE perspective on Cluster Knowledge Base and Provenance
  - Share-VDE technological stack

- **Summary documents** describing Share-VDE features and processes
  - Short overview of Share-VDE and executive summary on linked data in multiple languages
    - Share-VDE: Short overview and Linked data and SVDE: Executive summary
    - Share-VDE: Brève présentation and Linked Data et SVDE: Synthèse Opérationnelle
    - Share-VDE: Überblick and Linked Data und SVDE Zusammenfassung
    - Share-VDE: Panorama and Linked Data y SVDE: Síntesis operativa
    - Share-VDE: Panoramica and Linked Data e SVDE: sintesi e contesto
  - Jacque Samples and Ian Bigelow recorded the webinar “The Share Virtual Discovery Environment”.
