The activities of Share-VDE are **divided** into several work strands. Being a community initiative, the goals and desired outcomes are defined by the participating institutions through active engagement in different working groups. **The groups have regular meetings that are reported in the http://bit.ly/2020_SVDE_meetings annual meeting calendar**.

==SVDE Advisory Council (AC)==

The Share-VDE Advisory Council's role is to provide insight and analysis of the MARC to BIBFRAME transformation to make recommendations for improvements based on member library data analysis, and project documentation. The AC also provides overall guidance to the activities of Share-VDE initiative and Working Groups.

The activities of Share-VDE are organised into several work strands. Being a community initiative, the goals and desired outcomes are defined by the participating institutions through active engagement in different working groups that meet on a regular basis.

Share-VDE member libraries are welcome to join one or more working groups based on their interest in a specific work strand and on the active contribution they can bring to the discussion. To become a member of a working group, contact the chair or Share-VDE team at helpdesk@share-vde.org.
